With That \$5,000 Deposit of the Sioux City Athletic Club,

## BUT WANTS POLICE PROTECTION

Assured Before He Will Agree to Fight in the Iowa Town—O'Rourke Talks For the Colored Pugilist. Baltimore's Lead Increased—Robert J. Breaks the Pacing Record—The Bowling Opening this Evening—Other News of Sport.

New York, August 31.—Tom O'Rourke, who is looking after Peter Jackson's interests in this city, said today when he saw the World's fac simile of the Sioux City Athletic Club's checks:

"Very good. Those checks seem to be all right. I know the amount is perfectly satisfactory to Peter. The one thing that he is anxious about is the ability of the club to arrange a fight without police interference. What he wants particularly is a guarantee of immunity from arrest."

"Peter would also like to see and talk to a representative of the Sioux City club. He wishes to know exactly what is demanded in the articles it may forward. When I meet the Sioux City club's representative I will telegraph Jackson to come to New York."

"I don't see any reason now why Corbett and Jackson should not fight. Peter will meet Corbett in the Sioux City club ring provided, of course, it will guarantee that no arrests will follow. You see he has not booked any dates for his show yet this season, as he has been waiting to arrange matters with Corbett. Jim on the other hand seems to have booked his company pretty well, or at least Brady has for him."

"Now what will he do if he signs to meet Jackson in four or five months? Will he pay big bonuses to be permitted to cancel. If he has been sincere in his desire to meet Jackson he will have made his bookings with the proviso left open in the event of his signing with Peter. That's what I did with Dixon before George met Solly Smith."

"Honestly and truly, though, I don't think Corbett really cares to meet Jackson."

## IN BOWLING CIRCLES.

The Moose Alleys to be Opened—The Coming League Season.

This evening the teams of the Wheeling Bowling Association will open the new alleys at the establishment of the Wheeling Bowling Association, and from the interest already shown in the matter, it is but reasonable to suppose that nearly every team in the league will be well represented at the alley-side this evening. The new alleys have been tried and are pronounced very fine, so that it is not improbable that high scores will figure on the black-board. Messrs. Statler and Hervey are making arrangements for the entertainment of the leaguers in good style.

The league teams will line up this way: South Side and Calumet. Intelligence and W. A. W. Wheeling Bowling Club and Columbia. Press Club and the Bowlers.

Interest in the bowling league's coming season is, even at this early date, very great and the probabilities are that the league will take in four additional clubs, making a total of twelve clubs, and that the season will start earlier than last year—probably about the middle of September—and continue twenty-four weeks. Inquiries are frequent from organizers of new clubs wanting admission to the league, so that the league is sure to "fill." All the clubs will be strengthened, particularly so those that were rather weak last season. A meeting of the board of managers will probably be called within a few days to reorganize, admit new clubs, construct a schedule and determine the date of the season's opening. With twelve clubs there would be games every night in the week.

## The Steubenville Races.

The entry blanks for the national circuit bicycle meet to be held at Pleasant Heights, Steubenville, October 1, by the Steubenville Cyclers, have been issued. The list of events is as follows: Class A—One mile novice; half mile open; two-third mile Ohio state championship; quarter mile open; third mile Ohio state championship; one mile handicap. Class B—Quarter mile open; two mile handicap; half mile open; one mile state record, (special sanction).

## The Bicycle Stamp.

The "bicycle stamp," which was brought into existence in San Francisco by the railroad strike, is likely, says the Pittsburgh Press, to be much prized by stamp collectors. For more than a fortnight San Francisco was practically cut off from all railroad communication, and a bicycle mail service was got up by the agent of a bicycle manufacturer between that city and Fresno, a distance of about 210 miles. It continued about four days, when the blockade was raised. Stamps and stamped envelopes were hastily designed and several hundred printed, the stamps being sold at twenty-five cents apiece and the envelopes at thirty cents. Of the 380 letters carried, 315 were stamped and 40 were sent in stamped envelopes.

## SHEEPSHEAD BAY.

An Off Day but Excellent Racing—The Results.

New York, August 31.—Although it was an off day on the Sheepshead Bay track, good racing was seen. The best race was the handicap at seven furlongs in which Hurlingham made the running and continued at the head until they came to the head of the stretch when he gave it up and the others passed him. Doggett sent Cooper to the front and Discount followed, but was never in the chase, for he only succeeded in beating Chattanooga a short distance for the place. Summary: First, five furlongs—Stonewall, 125 (Sims), 5 to 1, won; Lissak, second; Corroction, third. Time, 1:00 2-5. Second, mile, selling—Figaro, 101 1/2 (Bergen), 2 1/2 to 1, won; Chant, second; Longdale, third. Time, 1:39 4-5. Third, mile and sixteenth—Longhanks, 100 (Doggett), 15 to 1, won; Pulitzer, second; Figaro, third. Time, 1:50 1-5. Fourth, seven furlongs—John Cooper, 111 (Doggett), 7 to 5, won; Discount,

second; Chattanooga, third. Time, 1:27. Fifth, furlong course—St. Veronica, 105 (Griffin), 6 to 5, won; Lobengula, second; Mirage, third. Time, 1:22 4-5. Sixth, Goldenrod stakes, seven furlongs on turf—Havoc, 110 (Griffin), 6 to 5, won; Tru Panny, second; Sir Galahad, third. Time, 1:29 2-5.

## ON THE GRAND CIRCUIT.

Fine Sport on the Closing Day of the Hartford Meeting.

HARTFORD, CONN., August 31.—Only three thousand people saw the racing at Charter Oak this, the last day of the grand circuit at that place. The racing was as good as any seen on the grand circuit, every class being a horse race from start to finish. The 2:22 trot for the Hartford guaranteed stakes of \$5,000, and the free-for-all pace were the races of the day, it taking several heats to decide the winner. The match race between Miss Mullin and Miss Rose was declared off. Summary:
